ARTICLE III - Grievance Procedure

Definition

A Grievance is a claim by any clerical employee or group of clerical employees in the negotiating unit, of any claimed violation, misinterpretation, misapplication or inequitable application of any provision and terms of this agreement.

Procedures

The Board and the Association agree to facilitate any investigation which may be required to make available any and all material and relevant documents, communications, and records concerning the alleged grievance.

No interference, coercion, restraint, discrimination, or reprisal of any kind will be taken by the Board or by any member of the administration or of the Association against the aggrieved party, any party in interest, any representative, any member of the grievance committee or any other participant in the grievance procedure or any other person by reason of such grievance or participation therein.

Time Limits

Written grievance will be entertained as described below, and such grievance will be deemed waived unless written grievance is forwarded at the first available stage within ten (10) school days after the employee knew or should have known of the act or condition on which the grievance is based.

Extension of Time Between Stages

Upon written notice, the Association or the Board will be granted an extension of time between each stage of the grievance not to exceed an additional five school days.

Stages of the Grievance Procedure

* Stage 1 - Immediate Supervisor

Upon submission of a grievance to the employee's immediate supervisor, the immediate supervisor will hold an informal conference within five school days for the purpose of resolving the grievance. The immediate supervisor will render a written decision within five school days after the conference.

If the employee considers the decision to be unsatisfactory, the Association may appeal the decision to Stage 2.

* Stage 2 - Superintendent of Schools

Upon receipt of a grievance, the Superintendent will hold a hearing within ten school days of receipt of said grievance. The Superintendent will render a written decision within ten school days after the hearing.

A grievance may be filed initially at Stage 2 when it concerns a matter not within the immediate school administrator's authority.

If the Association considers the decision to be unsatisfactory, the Association may file a Demand For Advisory Arbitration with the American Arbitration Association.

* Stage 3 - Arbitration Association

- a) If the Association is not satisfied with the decision at Stage 2, the Association may within fifteen (15) school days of the decision at Stage 2, request advisory review by one of the following persons:

* Stage 4 - Board of Education

The Board, after receiving the Advisory award, shall at no later than its next regular meeting, review the entire matter and render a final decision relative thereto, and the Association shall be notified in writing of the Board's decision.
